Thank You To M.I. Mother's Keeper

February 25, 2018

On behalf of the residents of Ward 4, I would like to extend my most sincere thanks to M.I. Mother's Keeper on the occasion of your Gun Violence & Mental Health Awareness Town Hall. This initiative, like the many others with which you are involved, is making a tangible difference in the lives of our residents and in the safety of our communities. Thank you for convening this important conversation and for bringing neighbors together to seek solutions and healing. Through your innovative community work, you have made invaluable contributions to Ward 4. We owe you a debt of gratitude for all you have done and continue to do.

To all who make M.I. Mother's Keeper so impactful, especially Executive Director Rhonda L. Hamilton, thank you for your efforts and congratulations on your success. Please know that in me, you will always have a friend on the DC Council.

Respectfully Yours,

A handwritten signature in black ink that reads "Brandon T. Todd".
